**RE: WATER RIGHT NO. 22-0265 AND APPROVED TRANSFER NOS. 2034 AND
3002, JEPPESEN ORDER TO SHOW CAUSE**

Dear Mr. Rigby:

The Department has reviewed your letter dated April 11, 2003 together with an amended SRBA claim in the name of Woodmansee-Johnson Canal Company, Mr. Jeppesen's statement that he has installed a lockable device on each pump and will install measuring device(s) on his point(s) of diversion before May 1, 2003, together with affidavits of several parties in support of the "accomplished transfer" of the second point of diversion for the Woodmansee-Johnson Canal Company.

The affidavits submitted to support SRBA Claim 22-0594 will be subject to review by SRBA staff as a part of the ongoing adjudication. By copy of this letter to Ron Carlson, I am requesting that his office inspect the measuring device installation and lockable controlling works for adequacy and monitor water diversions and uses from Moody Creek during the 2003 irrigation season.

If you have questions, please feel free to contact Ron Carlson or me.

Sincerely,

L. GLEN SAXTON, P.E.
Acting Administrator
Water Management Division
